Invitation to submit an Expression of Interest

For the grant of an exclusive licence
to produce, operate, circulate, promote and manage in general
the Greek State Lotteries (the "**Hellenic Lotteries**")
for 12 years.

1. TRANSACTION OVERVIEW

1.1. Legal Background

Within the framework of the Privatization Program of Law 3985/2011 “Midterm Fiscal Strategy Framework 2012-2015”, Decision 187/2011 (Government Gazette Bulletin B’ 2061/16.09.2011), as in force, issued by the Inter-ministerial Committee for Asset Restructuring & Privatizations (the “**ICARP**”), and the decision taken on 24 October 2011, by the board of directors of the “Hellenic Republic Asset Development Fund S.A.”, a company 100% owned by the Hellenic Republic (the “**Fund**”), the Fund has decided to assign its right to the exclusive production, operation, circulation, promotion and management in general of the Hellenic Lotteries (the “**Right**”).

The Fund intends to assign the Right (the “**Licence**”) for a period of 12 years (the “**Licence Period**”) through a licence agreement (the “**Licence Agreement**”). The Licence Period will commence from the expiry of the transition period to be provided for in the Licence Agreement. The Licence Agreement will be signed between the Fund and a *société anonyme* company registered in Greece (“**SPV**”) which shall have been established by the potential investor or the consortium of potential investors (the “**Candidate**”), selected through an international public competitive bidding tender procedure (the “**Tender Procedure**”). This SPV will have as its sole purpose the exclusive production, operation, circulation, promotion and management in general of the Hellenic Lotteries, in compliance with the terms and conditions of the Licence Agreement, the Greek law and regulations as well as with the regulatory framework of the Hellenic Lotteries.

The Licence, as described above, shall cover all current and future draw based and instant lotteries which are conducted offline using physical tickets. The Licence shall not include any electronic (online, mobile, etc.) lotteries. Further, the Licence does not cover any games the right to the operation and exploitation of which has been granted to OPAP S.A. (Organismos Prognostikon Agonon Podosfairou S.A), as of the date hereof.

The Candidate shall not in any way be bound by the existing contracts or agreements executed or any other obligations or undertakings assumed by the Hellenic Republic or the State Lotteries Division of the Ministry of Finance, which is currently responsible for the operation and management in general of the Hellenic Lotteries,

vis-à-vis any third parties and shall be under no obligation to use the existing lotteries distribution network or any other existing contractor in relation to lottery operation (e.g. printing, software maintenance, security, etc.) in connection with the Licence.

The Licence will be granted free from any obligations relating to the existing securitisation of Hellenic Lotteries' receivables.

The Fund intends to include in the Licence any and all relevant rights pertaining to:

- (i) the currently existing passive, traditional or draw based lotteries, i.e. lotteries where tickets are pre-numbered and the player cannot choose the numbers but buys the ticket, and waits for the draw that would identify the ticket as a winner. These are the National Lottery (*Ethniko Lahio*), the Popular Lottery (*Laiko Lahio*) and the Extraordinary or Special Lottery drawn by the European Union of State Lotteries (*European Lottery*);
- (ii) the Instant State Lottery or Scratch Lottery (*Xysto*), i.e. a lottery whose result is predetermined upon its issuance and is revealed by the player without draw;
- (iii) the currently inactive Housing State Lottery (*Stegastiko Lahio*), whose prizes include housing;
- (iv) the Special State Social Solidarity Lottery or New Year's Lottery (*Protohroniatiko Lahio*), issued once every year. This lottery will be operated by the successful bidder for a management fee, and
- (v) Any future State Lotteries.

It is noted that in accordance with article 846 of Civil Code, the establishment of any new lottery has to be introduced by a provision in Law.

The Licence shall not be transferable.

Credit Suisse Securities (Europe) Limited, Eurobank EFG Equities Investment Firm S.A. (together the "**Financial Advisers**"), Roland Berger Strategy Consultants, Allen & Overy LLP, Karatzas & Partners Law Firm and Bahas, Gramatidis & Partners Law Firm are acting as advisers to the Fund for this process.

1.2. Scope and Process

The purpose of this invitation to submit an expression of interest (the “**Invitation**”) is to solicit expressions of interest from parties who wish to participate in the Tender Procedure, which will be conducted in two (2) phases.

In the first phase of the Tender Procedure (the “**First Phase**”), which is regulated by the terms and conditions of the Invitation, Candidates will express their interest to participate in the Tender Procedure by submitting an expression of interest accompanied by the documentation specified in section 3 below (the “**Expression of Interest**”).

The purpose of the First Phase is to select Candidates that demonstrate the legal, technical and financial capacity required to participate in the Tender Procedure for the granting of the Licence.

Whether a Candidate qualifies or not to participate in the second phase of the Tender Procedure (the “**Second Phase**”) will be decided by the Fund, on the basis of the criteria and the terms set out in sections 2 and 3 below.

Following such decision, Candidates will be notified in writing by the Financial Advisers of whether or not they are eligible to participate in the Second Phase. Disqualified Candidates shall be notified of the reason for their disqualification.

In order to participate in the Second Phase, Candidates will be required to sign a confidentiality agreement (the “**Confidentiality Agreement**”), following which Candidates will receive bidding instructions and an overview of the Second Phase (the “**Invitation to Bid**”).

Upon execution of the Confidentiality Agreement, the qualified Candidates will become the “**Qualified Tender Participants**” and will be granted the right to *inter alia*:

- carry out their due diligence of the Hellenic Lotteries;
- submit non-binding comments on the draft Licence Agreement and the Transition Agreement (the “**Tender Documentation**”); and
- submit binding economic offers,

The above will be described in more detail in the Invitation to Bid.

Qualified Tender Participants will be required to submit in writing a binding final offer including *inter alia* a detailed Business Plan for the operation of the Hellenic Lotteries, their financial offer and a bid bond the amount of which will be specified in the Invitation to Bid.

The declarations made in the Expression of Interest and the accompanying documents, as they are defined in section 3 below, shall bind the Qualified Tender Participants until the conclusion of the Second Phase.

2. QUALIFICATION CRITERIA

The Fund wishes to solicit Expressions of Interest from Candidates who have experience in the gaming sector and who have sufficient financial, technical, managerial, and organisational capacity to successfully manage the Hellenic Lotteries.

2.1. General Candidate Eligibility

Legal entities and consortia, which meet all the requirements of the Invitation, may participate in the Tender Procedure.

Candidates may participate in the Tender Procedure by submitting an Expression of Interest only once. More specifically, legal entities may participate individually or as members of one consortium only.

Offshore companies which are residents of, have their registered or actual seat in, or have an establishment in Non-Cooperative Countries and Territories, as those are defined by article 51A of the Greek Income Taxation Code (Law 2238/1994 as amended by Law 3842/2010) and are listed in Greek Ministerial Decision ΔΟΣ Α 1150236 ΕΞ2010, dated 9 November 2010, of the Minister of Finance (Government Gazette Bulletin Β' 1805/2010), do not qualify for individual participation in the Tender Procedure. Furthermore, offshore companies, as defined in this paragraph, cannot participate in the Tender Procedure either as members of a consortium or as partners or shareholders of a legal entity that is a Candidate or member of a consortium.

The above paragraph does not apply in so far as the offshore company is a shareholder, including a controlling shareholder, or a consortium member of a

Candidate which is a company established in accordance with the law of a Member State of the EU, other than Greece, or of the EEA and has its registered office, central and administrative or principal place of business within the EU or the EEA.

Candidates are required to meet the criteria set out in relation to their personal situation, their experience regarding the operation, circulation, promotion and management of lotteries and their appropriate financial standing to undertake such an activity, as described below under sections **2.2.**, **2.3.**, and **2.4.** In cases of consortia, the criteria under section **2.3.** should be met by at least the Lead Member of the consortium.

If an affiliated company, as such is defined in Codified Law 2190/1920, participates in the Tender Procedure on its own or as a member of a consortium, it may rely on the technical experience of other companies of the same group, as long as such experience is separately mentioned in the experience declarations mentioned below.

Furthermore, a Candidate may rely on the experience of a company of the same group of companies only if it proves to the Fund that it will have at its disposal the resources necessary, by submitting a relevant binding letter of the respective group company confirming its commitment.

2.2. Financial Qualification Requirements

The Candidate is required to demonstrate that in the last 3 financial years it had:

2.2.1. average annual consolidated revenues of at least €150 million;

2.2.2. average consolidated equity of at least €100 million; and

2.2.3. average consolidated total assets of at least €200 million.

In the case of consortia, the aforementioned financial criteria should be met as a sum of the relevant figures of the members weighted by the percentage of their participation in the consortium, on the basis of the following formula:

$$X = (N_1 \times P_1) + (N_2 \times P_2) + \dots + (N_v \times P_v)$$

Where:

N is the relevant figure as defined in sections 2.2.1., 2.2.2. and 2.2.3., of each member of the consortium,

P is the participation percentage in the consortium of the relevant consortium member, and

v is the number of consortium members.

If an affiliated company participates in the Tender Procedure on its own or as a member of a consortium, it may rely on the financial capacity of other companies of the same group as specified immediately below.

- If the Candidate is a parent company it may rely on the financial capacity of its subsidiaries.
- If the Candidate is a subsidiary, it may rely on the financial capacity of its parent company only if it proves to the Fund that it will have at its disposal the resources necessary, by submitting a relevant binding letter of the parent company confirming its commitment to financially support the subsidiary.

A Candidate will not be able to rely on the financial capacity of any other third party or subcontractor to demonstrate fulfillment of the financial criteria.

For the purposes of this section, in the case of private equity firms the criteria under **2.2.1.**, **2.2.2.** and **2.2.3.** will be based on all companies being managed or advised by the same private equity firm or group of private equity firms.

In the event a Candidate or a consortium member has merged with or acquired any businesses during the last three financial years, the criteria in sections **2.2.1.**, **2.2.2.** and **2.2.3.** above may also be met on the basis of pro-forma financial statements, prepared on the assumption that the acquisition or merger took place at the beginning of the three year period.

2.3. Technical Qualification Requirements

2.3.1. The Candidate (or the Lead Member in the case of a consortium) is required to declare that in the last 3 financial years, it had cumulative collections from gaming and betting at a group level of at least €1.5 billion.

2.3.2. The Candidate (or the Lead Member in the case of a consortium) is required to demonstrate that on a group level, during the last financial year, it managed a distribution network of at least 3,000 points of sale relating to gaming and betting operations.

In the event a Candidate (or the Lead Member in the case of a consortium) has merged with or acquired any business during the last three financial years, the criteria in sections 2.3.1. and 2.3.2. above may also be met on the basis of pro-forma financial statements, prepared on the assumption that the acquisition or merger took place at the beginning of the three year period.

A Candidate will not be able to rely on the experience of any other third party or subcontractor to demonstrate fulfillment of the technical criteria.

2.4. Legal Eligibility Qualification Requirements

The Candidate (or in the case of a consortium, each member of the consortium) must evidence compliance with the eligibility requirements set forth in this section, at the time of the submission of the binding offers.

2.4.1. Candidates who have committed in any jurisdiction criminal offences which are related to their professional conduct, and which are ascertainable by any method, are not permitted to take part in the Tender Procedure, and consequently shall be disqualified. As regards *sociétés anonymes*, this disqualification criterion also applies to the chairman of the board of directors and the managing director based on the articles of association or equivalent document of the legal entity. For other types of legal entities, the above disqualification criterion applies to the company's legal representative(s). Offences related to professional conduct include (but are not limited to) embezzlement, extortion, forgery, perjury, fraudulent bankruptcy and additionally:

- participation in a criminal organisation, as defined in article 2, paragraph 1 of the Joint Act 98/733/JHA of the Council;
- bribery, as defined in article 3, paragraph 1 of the Joint Act 98/742/JHA of the Council;
- fraud, in the meaning of Article 1 of the contract relating to the protection of financial interests/concerns of the European Communities; and
- money laundering, as defined in article 1 of Directive 91/308/EC of the Council, on the prevention of exploitation of the financial system for money laundering.

2.4.2. In addition, Candidates are disqualified:

(a) if they are bankrupt, in liquidation, in compulsory receivership or in any other relevant situation resulting from a similar process specified in the law of the country where the company is based or in Greek law;

(b) if proceedings have been instigated against them for bankruptcy, liquidation, compulsory receivership, bankruptcy settlement or any other similar process specified in national, legal and regulatory provisions;

(c) if they have not fulfilled their obligations, as regards payment of social security contributions, in accordance with the law of the country where the company is based, or according to Greek law;

(d) if they have not fulfilled their obligations regarding payment of taxes and duties, in accordance with the law of the country where the company is based, or according to Greek law; and

(e) if they are guilty of making false representations or have neglected to submit required information in accordance with the law of the country where the company is based, or according to Greek law.

2.5. Bidding Consortia

For the purposes of participation in the Tender Procedure and the subsequent execution of any contractual agreements, Candidates may form a bidding consortium.

2.5.1. Exclusivity

A Candidate (legal entity or group in the sense of article 42e of Codified Law 2190/1920, as in force) may only be included in one Expression of Interest. A member of a bidding consortium may not participate in any other bidding consortium, nor may a member of a bidding consortium present an individual Expression of Interest as a single Candidate. A violation of this rule shall cause the immediate disqualification of the bidding consortia sharing any individual members, as well as the Candidates involved.

2.5.2. Member Designations

In the event that an Expression of Interest is submitted by a consortium, the consortium must designate one of its members as the leader (the “**Lead Member**”), which member shall be required to hold at least 33.34% of the interest in the

consortium and, if successful, in the SPV share capital. The Lead Member must be a Candidate fulfilling at least all the qualification requirements described under section 2.3. above on a stand-alone basis and must be designated to control the SPV. More specifically, on the basis of agreements between the shareholders or on the basis of the suggested articles of association of the SPV, it should be ascertainable that the Lead Member controls the operational matters that relate to the organisation and the operation of the SPV, by appointing the key managerial team (e.g. CEO, COO, CMO).

The Lead Member, as it is represented in the Tender Procedure, is required to be duly authorised by the other consortium members to represent the consortium before the Fund.

2.5.3. Consortium Agreement

The Invitation to Bid will provide for specific requirements for the consortium agreement.

All members of the consortium shall be severally liable to the Fund for their compliance with the terms of the Tender Procedure. Non-compliance by any member of the consortium may, in addition, lead to forfeiture of the Consortium's bid bond.

2.5.4. Changes to a Consortium

No changes in the membership of a consortium (whether by way of the exit of existing members or the entry of new members) are permitted following the submission of the Expression of Interest. Following the submission of the Expression of Interest and up until the time of submission of the binding offers, members of a consortium may transfer some, but not all, of their membership participation to other members of the consortium after notifying the Fund in writing, provided however that (i) such members remain members of the consortium; (ii) the Lead Member retains a stake of at least 33.34% of the interest in the consortium; and (iii) after the transfer of such membership participation the consortium continues to fulfill the criteria set out in section 2.2. above, taking into account the revised participation percentages.

The Lead Member of a consortium cannot be changed after the submission of the Expression of Interest.

Consortia members, if successful, may transfer their shares during the Licence, provided that the Lead Member retains at all times a stake of at least 33.34% of the SPV share capital.
