Clarification regarding the Submission of the Financial Statements

With regard to the proof of the Financial Capacity Criteria and the audited financial statements as a whole it is clarified that in case that translation in the Greek language is not feasible due to their volume, they may be submitted solely in English (in original, certified copy and in electronic copy – please review the general submission requirements applicable to all tender documents), with the exception of the following: Statement of Financial Position, Income Statement, Cash-Flow Statement, Statement of Changes in Equity, and audit opinion letter, which must be accompanied by their official translation in Greek as well.

These clarifications are published on HRADF's website and constitute an integral part of the EOI. The present clarifications made available, as mentioned above, on the Fund's website will be presumed to be unquestionably known to all Interested Parties from the date of their publication.
