**HRADF: Extension to the deadline for expression of interest in the tender for the development of the Argostoli Marina**

HRADF, a member company of GROWTHFUND – The National Fund of Greece, announces that the deadline for the expression of interest in the tender for the development of the Argostoli Marina in Kefalonia is extended by one month, until December 16, 2022. The granting of an extension was deemed necessary following requests from interested investors, to facilitate the preparation of the submissions and to maximise competition.

The tender concerns the concession of port operation services (berthing services and other services) and the right to use, operate, manage and exploit the assets within the land and sea zone of the Argostoli Marina. The duration of the concession is at least 35 years, while the Fund has the option to extend the duration of the concession for a maximum of 10 additional years.

Details of the tendering process are included in the Invitation for Expression of Interest that has been posted on HRADF's website.
