**PRESS RELEASE****HRADF: Launch of an Internship Programme in collaboration with Universities**

The Hellenic Republic Asset Development Fund, a member company of GROWTHFUND – The National Fund of Greece, announces the launch of an Internship Programme for graduates in collaboration with Higher Education Institutions, such as the National Technical University of Athens and Panteion University of Social and Political Sciences.

The aim of the programme is to offer young graduates the opportunity to gain valuable experience in the field of their studies in a corporate with an eight-month internship placement. The Internship initiative will be implemented twice a year and placements will be determined according to the Fund's needs. In the inaugural Programme, HRADF invites graduates to apply for positions in the Port Planning Authority Department, the Corporate Communications Division, and the Department of Sustainable Development, ESG and Climate Change.

Details about the programme, including the required qualifications/skills and how to apply can be found on the Fund's website at <https://hradf.com/programma-mathiteias/>.
